Parish Giving Scheme

People give to our churches in a number of amazing ways: through leading projects; playing music; visiting the sick and lonely; volunteering time in the kitchen and so many more ways. Our churches are also financially dependent upon the generosity of local Christians. This covers everything from keeping our buildings warm to funding the ministry of a vicar.

If you have been giving financially to the work of one of our churches, thank you so much! However much and in whatever way you give, it is so valuable and greatly appreciated. What and how you give is a private matter and is kept private by those who deal with money in our churches. The Parish Giving Scheme is a method of giving our church treasurers would like to commend to you. It is user friendly and can be set up and controlled online or using paper forms. The Parish Giving Scheme also collects Gift Aid, saving our volunteers a great deal of work. Donations through the Parish Giving Scheme come direct to the church you are donating to. This is explained in the diagram above. To register for the Scheme online, go to www.parishgiving.org.uk. There you can select the church you would like to donate to and choose whether to make a one-off contribution or set up a regular gift. Thank you!
